

**DONT BE
E A S
RANDOM**
plan safe - drink safe - stay safe

Youth Solutions is working in partnership with Campbelltown Catholic Club on the “Don’t be (a) **RANDOM Plan Safe-Drink Safe-Stay Safe**” campaign. The campaign will survey young adult patrons of the Campbelltown Catholic Club asking them about their issues of concern in relation to alcohol, transport, communication methods and media influences. Campbelltown Catholic Club staff and Board will also contribute to the campaign via surveys to provide the Clubs perspective on these important issues.

Project Aim:

- ◆ Raise awareness in the target group about binge drinking, alcohol related harm and both patron and Campbelltown Catholic Club responsibilities in relation to alcohol use
- ◆ Collect data on alcohol related issues in the target group
- ◆ Direct the target group to appropriate alcohol and other drug service providers in the area if needed
- ◆ Develop an informed and sustainable plan of action for both Campbelltown Catholic Club and Youth Solutions
- ◆ Implement appropriate strategies to reduce or prevent harm

Timeframe: December 2008 - May 2009

**A joint project by Campbelltown
Catholic Club and Youth Solutions**

**plan safe - drink safe - stay safe
It's your responsibility!**
