

Strengthening Parents Camden and Wollondilly

Strengthening Parents will involve linking parents, community members, services and ultimately young people.

The project will involve a range of strategies that will assist in increasing parents' capacity to effectively deal with the issue of youth drug use.

Project Aims:

- ◆ Well coordinated project
- ◆ An increase in the knowledge of alcohol and other drug issues by parents and carers in the Wollondilly and Camden region
- ◆ An increase in knowledge of alcohol and other drug services by parents and carers
- ◆ Increase the opportunity for parents to discuss alcohol and other drug issues with their children and other parents
- ◆ Increase awareness and implementation of parenting strategies to prevent and reduce alcohol and other drug related harms among young people
- ◆ Increase access to relevant information

Timeframe: May 2007 - June 2008

***Funded by the Australian Government
National Illicit Drug Strategy under their
Community Partnerships Initiative***
